THE NAVAL ordnance and ordnance stores at Jefferson Barracks (St. Louis) are ordered to be removed to the station at Mound City. The monotion Standinsky, now at Mound City, assisted by barges, will perform the freighting. The weight of metal in guns and projectiles to be removed in the job. The Sandusky will start on the first trip about the 15th ine.

AT THE late election in Alabama there was one comply where there wasn't a Radical vote polled. The explanation given is that the Democrate gave a barbeene before the election, which was strended by the few Radicals in the county, who went in heavy for the mutton on the table. That evening as they were going home the dogs mistook them for sheep and killed the last one of them.

About nine o'clock last night a farst sense.

Cathedral was densety packed on the occasion of Good Prices An alarm of fire was quested. Ladies who are not members of the so-cledy are invited to attend and join, raised, and created a punic in the church, and a rush was made for the door, when a portion of the galleries fell, and three persons were instantly killed, all females, and several others were astered with the month of the monorably discharged, it appearing that there was no foundation for such a prosecution.
